

OUR PRODUCT FEATURES

Strong Power and High Reliability

- Match the famous and famous China II engine, with strong power, high reliability and large torque reserve coefficient.
- The hydraulic driving brake system and the handle-operated parking brake system are safe and reliable.

Excellent Performance, High Efficiency

- Enhanced two-speed power output, a wide range of supporting equipment, high reliability.
- Double oil cylinder pressure lifting device is opted, the lifting force is large, and it is more suitable for supporting tools for farmland operations.
- Transmission 16F + 8R, reasoning speed matching, strong agronomic adaptability, high operational efficiency.

Easy to Ride and Operate

- Optimized design with enhanced driver's security, control comfort, closed air conditioning.
- Adopt side-set control systems, easy to operate, comfortable & reliable

SPARE PART AVAILABILITY

We have a consistent supply of original spare parts to guarantee durability, efficiency, and smooth machine operations always.

PRODUCT FEATURES

4X4 RK504/RK704-A
Trademark - Zoomlion
Four wheel drive
Emission - National II
Rated Power - 50/75HP
No. of Gears - 12F+12R
Traction Force - 14kN

4X4 RC904/1104-A
Trademark - Zoomlion
Four wheel drive
Emission - National II
Rated Power - 90/110HP
No. of Gears - 16F+8R
Traction Force - 25.4kN

4X4 RN904 (PRO)
Trademark - Zoomlion
Four wheel drive
Emission - National III
Rated power - 90HP
No. of Gears - 16F+8R
Traction Force - 34.5kN

4X4 160HP RC SERIES
Trademark - Zoomlion
Four wheel drive
Emission - National II
Rated power - 160HP
No. of Gears - 16F+8R
Traction Force - 51kN

IMPLEMENTS

DISC PLOUGH

**3 Disc Mounted
Disc Plough**

**Advanced 5
Disc Plough**

DISC HARROW

**Hydraulic Pressure
Offset Disc Harrow**

Disc Harrows

TRAILERS

**Heavy Duty
Water Bowsers**

**Tipping & Non-Tipping
Trailers**

Prices of implements range from 250K-1.2M
