RK 504**

**ZOOMLION 4X4
RK 704**

**ZOOMLION 4X4
RC 904**

**ZOOMLION 4X4
RC 1104**

**ZOOMLION 4X4
RC 1604**

PRODUCT FEATURES

4X4 50HP

Trademark - Zoomlion
Four wheel drive

Emission - National II

Color - Green

Fuel - Diesel

Rated power - 50HP

No. of Gears - 12F+12R

Traction Force - 12.5kN

Fuel Consumption - <242g/kW.h

4X4 75HP

Trademark - Zoomlion
Four wheel drive

Emission - National II

Color - Green

Fuel - Diesel

Rated Power - 75HP

No. of Gears - 12F+12R

Traction Force - 14kN

Fuel Consumption <242g/kW.h

4X4 90HP

Trademark - Zoomlion
Four wheel drive

Emission - National II

Color - Green

Fuel - Diesel

Rated Power - 90HP

No. of Gears - 16F+8R

Traction Force - 25.4kN

Fuel consumption - <242g/kW.h

4X4 110HP RC SERIES

Trademark - Zoomlion
Four wheel drive

Emission - National II

Color - Green

Fuel - Diesel

Rated power - 110HP

No. of Gears - 16F+8R

Traction Force - 25.4kN

Fuel consumption - <242g/kW.h

Why Choose Us?

Quality you can trust

We supply durable, high-performance machinery and implements designed to deliver consistent results in all farming conditions. Our commitment to quality ensures reliability, long service life, and optimum performance, giving farmers confidence in every operation and helping them achieve maximum productivity season after season.

Farmers-centric approach

We place farmers at the heart of our operations, taking time to understand their unique needs and challenges. By tailoring solutions, providing expert guidance, and delivering reliable support.

We help them increase productivity, reduce costs, and achieve sustainable growth in an ever-changing agricultural environment.
